

Downloading Instructions:

1. Go to the Website by using any of the following URLs:

<http://www.Morah-Leah.com>
<http://www.Bnai-Mitzvah.com>
<http://www.Win4Web.com/Mitzvah>
<http://Mitzvah.Win4web.com>

2. Scroll down the page to the recordings section, and click on the recordings category that you wish to download.

or

Select a name from the list of students shown, and click on the name

You will be taken to the "INDEX" page for those recordings.

3. Once you see the "INDEX" page (it should look like a table of contents)

point your mouse to any of the links on that page and

FOR WINDOWS:

RIGHT-click, then **select SAVE TARGET AS...**

FOR MAC:

For users with a *multi button mouse*

RIGHT-click, then **select DOWNLOAD LINKED FILE**

For users with a *one-button mouse*

CTRL-click, then **select DOWNLOAD LINKED FILE**

to save the file directly to your computer.

4. You will get a file download dialog box with a choice of OPEN, SAVE or CANCEL buttons.
5. Select the SAVE button, and choose a location on your computer to save the file. Make sure you remember where you place the file among your directories. You may place it on your desktop to make it easier to find.
6. Once the download is finished, the mp3 file will be on your computer in the location you selected. You may then use whatever application you use to transfer an mp3 music file from your computer to your iPod.
